## Andrew BRYANT, CSP PCC

Global Expert on Self Leadership & Leading Cultures  
Best Selling Author | TEDx Speaker | Executive Coach

Andrew Bryant, has spoken for audiences as large as 12,000, facilitated breakthrough learning sessions for senior teams and transformed leaders through 1 to 1 coaching.

With his expertise on Self-leadership and Leading Cultures he has transformed individuals and teams to be more intentional, influential and impactful. Through greater ownership, he empowers people to become more resilient and agile to face the complexities and uncertainties of our modern world.

Andrew is the author of 'Self-Leadership: How to Become a More Successful, Efficient and Effective Leader from the Inside Out' (McGraw-Hill 2012) and the Best-Selling, 'Self Leadership: 12 Powerful Mindsets & Methods to Win in Life and Business'

"Very useful, Funny, Enjoyable, Learnt a lot, Interesting, Insightful, Life Changing" – these are typical comments heard from participants of one of Andrew's sessions.

English by birth, Australian by citizenship, Brazilian by wife, and living in Asia for the last 13-years and working globally gives Andrew insights and perspective on what it takes to be an effective leader, influence or entrepreneur in a rapidly changing multi-cultural world.

Andrew Bryant is a Professional Certified Coach (PCC) and upholds the ethics of the International Coach Federation. He is also a Certified Speaking Professional (CSP) which means that he has been independently audited in terms of professionalism and client satisfaction. Andrew is certified in a number of psychometric assessment tools to assist in the transformation process.

Organizations like Red Hat, Visa, Herbert Smith Freehills, Microsoft, Credit Suisse, Deutsche Bank, DELL, AMP, Merck, Cartier, Philips, Nokia, RBS Coutts, Dentsu-Aegis Network, Pall and Singapore Airlines regularly call on Andrew Bryant when they want to take their managers and leaders to the next level.

*"Andrew is easily the most outstanding coach / consultant I've met in the field of personal communications, leadership, and executive development. The work he did for me and my team was truly transformational and contributed to extraordinary business results. There is no question in my mind that the work he does has a very real impact on financial performance of a business. I wouldn't hesitate to recommend Andrew to any senior manager/exec who wants their personal soft-skills, or those of their top leaders, to become market-leading." – Grant Halloran, CEO*
