

Circular No. (31) for 2020

Perspectives on Federal Government employees' contracts

To: All Federal Entities

The Federal Authority for Government Human Resources (FAHR) would like to send you kind regards, wishing you all the success in your endeavors.

Pursuant to the Ministerial Development Council's Resolution No. (21 /11) issued on October 13, 2020, which assigned the Authority to coordinate with all ministries and federal entities for the purpose of seeking their views on the current employee contracts.

In implementation of the above Resolution, we call on all ministries and federal entities to study the Federal Government employees' contracts attached to the Executive Regulations of HR Law in the Federal Government.

After carefully studying the contacts, you are kindly requested to provide the Authority with any views and comments that could help in updating the contacts in light of their implementation during the last period. The views, along with justifications, should be sent within two weeks from receipt of this circular, in order for the Authority to study and review the proposals received and then prepare appropriate recommendations in this regard, in coordination with the General Secretariat of the Council of Ministers.
