

FAHR Community Initiatives

Since the Authority believes that Humanitarian and Community Work is a lofty message, FAHR has prepared the Annual Agenda that includes a series of specific Humanitarian and Community Initiatives, which will be launches at the level of the Federal Government, in cooperation with a number of Charitable and Humanitarian Institutions and Organizations operating in the country, and seeks through it to extend helping hand to the needy groups and establish through them the values and the concepts of volunteering and charitable work, and enhance the spirit of social responsibility among all members of the UAE community and give the opportunity to participate for the largest number of Federal Government employees and community members.
