

Circular No. 10 of the Year 2025

Regarding the Launch of " Insight Platform"

Your Excellencies,

Esteemed Undersecretaries of Ministries, and Directors General,

The Federal Authority for Government Human Resources (FAHR) extends its sincere regards and best wishes for your continued success and prosperity.

In line with the Authority's ongoing efforts to advance the government services ecosystem, and pursuant to the government work methodology launched by the esteemed Cabinet - which seeks to realize the vision of "We the UAE 2031" through the initiation and implementation of transformative projects that strengthen the nation's global leadership and competitiveness - the Federal Authority for Government Human Resources is pleased to announce the launch of the **"Insight Platform"**.

This platform is a comprehensive digital system designed for analyzing and forecasting human resources data within the Federal Government. It provides real-time insights and detailed analytical reports for decision-makers, utilizing advanced technologies to ensure seamless and efficient access to data.

As part of the Authority's commitment to familiarize the concerned officials in your esteemed entity with the platform's features and its instant analytical tools - aimed at enhancing strategies for managing human capital across the Federal Government - coordination will be made with your Human Resources representatives to schedule training workshops in the period ahead.

The Authority affirms its full readiness to provide all necessary support and assistance to your esteemed entity, with the objective of strengthening the efficiency and effectiveness of the Federal Government's human resources system.

We greatly value your kind cooperation, and extend our highest respect and appreciation.

The Federal Authority for Government Human Resources
